

# Fall Nature Ideas

☑	DATE	IDEAS	NOTES
○		Walk, hike, or bike in an area where the leaves are changing,	
○		Look for squirrel nests in trees.	
○		Use a camera to record fall changes.	
○		Pick apples in an orchard or go to a pumpkin patch.	
○		Go to a corn maze.	
○		Observe and record migratory birds.	
○		Make an equinox shadow map of your yard.	
○		Record sunrise, sunsets, & day length as the days get shorter.	
○		View the harvest moon (full moon nearest the equinox)	
○		Collect leaves, acorns, nuts, or pine cones for handicraft.	
○		Make leaf prints.	
○		Make a nature table for your fall collections.	
○		Harvest your garden and prepare it for winter.
